### SIGNS OF LIFE.

#### Johnstown will be Rebuilt.

Johnstown, Pr., June 5. Johnstown, Chicseo like is preparing to rise from its Chicago like, is preparing to the from its ruins. Already preparations are being made. Matthews & Kimmell's, Berlin, Pa. for permanent rebuilding. The civil engineers and draughtmen are already doing the to Matthews & Kimmell's, Berlin, Pa. preliminary work and wores of merchants have sirendy described the style of their newbolldings. Mr. S. S. Mailoy a preminent music dealer, whose brother was lost, said to-day that a number of buildings would be started as soon as the streets were in dersoled in the grocery, flour and feed line. shape to do limiting. A number of others expressed similar intentions. Among the buildings which Mr. Malloy said would be erected at once was the Fenn block on Main street, the stores of John Thomas, the Lutiner block, Mr. Fronheiser's palatial residence, J. & H. Swank, carriage manufacturers J. Haist & Co., barb-wire company; the Or. E. Uhl's. rel woolen-factory, and all the large and ordinary sized-industrial plants in the city and

Editor Geo. T. Swank, of the Johnstown To June, a representative citizen, takes a very will be rebuilt," said be to-day, "and on the pay you, as they are offering burgains that hopeful view of the situation. "Johnstown some spot it grew before. The bursting of the dam does not remove the only danger, however. The Pennsylvania Ballroad Company has narrowed the stream of the Conemaugh river at least one-third and built and blockade for a stream, already confined to thing you want in that line, less than its natural channels. The greatest

ERCTOR SWANK'S VIEW.

encouragement that could be given Johnstowners to rebuild would be the assurance that the streams above us would be unim- but a nickle to find out poled forever. During the flood that preceded the break in the dam the water was from five to eight feet higher in Johnstown than it would have been had not the iron bridge carried a blockwis. THE CAMBRIA WILL MOON START. "As for the Cambria Iron Company I

have the personal assurance of Vice-President Powell Stackhouse, who came on from Philadelphia yesterday, that the company will repair and rebuild on the old site. Book Store, Their loss will not exceed \$300,000. As Mr. Stackhouse said, the company has a sirty face, but it will soon wash it. The damage pays 12 per cent, dividends.

As for the banks, the statement that they are all insolvent or likely to be so is a fool ish error. There is one National bank, one savings bank and possibly the private institution of John Diebert & Son, which will Tobucco. open up as soon as they can set their affairs straightened up a little. They will have to be favored a sintle at home. The savings bank has no mortgages on Johnstown buildlugs and those on the ground will hold from one-half to two-thirds their original value. They have, besides, \$200,000 in Govexament bonds and state and county securibusiness where the flood snapped it off."

Experts from Philadelphia succeeded in opening the vaults of the First National Bank to-day. The \$50,000 in each therein deposited, and the \$500,000 worth of securities, and the books and papers were found to be all right, save that they are damp from

Either the morgue records have been care lessly kept, or those who have been gathering statistics on the number of bottles recovered are away wrong. In the Pourth ward school morgue, there are 316. Of those 25 were unknown and 100 identified. At the Presbyterian church 100 bodies have been cared for, 160 at Prospect, and 197 at Kernville. (The morgue has been discontinued and set at W. F. Shaffer's works, Somerset at this place.) Seventy were taken from the Pa. drift blockade 228 at Nipevels, and New Florence 28. In Morsellville 157 were cared Point, which were shipped to different der whie you wait; it not, within a couple or in front of the ankle bone points : 42 bodies have been taken from the of hours zmas at Woodvale which were not charged to any of the morgues. This makes the grand total of bodies found at all points be tween New Florence and South Fork, (27), good and theap, Jourstown; Pai, June 8 .- The body of

Rec. Alonzo P. Diller, rector of the Johnswife and child, were recovered to-day under Casebeer and have it cleaned and repaired. elecumstances both and and strange. Four E, beopal clergymen, who had been ordered here by Bishop Whitehead, were working about the ruins near Lincoln street when they cameupon the body of their late briaher, clasped in one rigid arm was the body of For good thigs to eat and drink. With 30 his batic, and in the other his wife, whose years experience in preparing the above Acced in this position and will be buried half a mile away from where the house cool drink, Pisel's the place and don't you stood. Rev. Data was rector here for five forget it. Oppositethe court house years, and was a most able man. His parests live in Lancaster, Pa.

JoBeston S. Pa., June 8.—The precumonia scornge Begws alarmingly, notwinistanding for 50 cents per yard, that was worth 671 statements on by, Groff, of the State Health Call and get u burgain before they are all Board. Or. Saver of Philadelphia, a promineut member of Dr. Osoff's staff, came down from the Cambria hospital last night with a startling report. Dr. Sweet said.
